

Hi Friend!

I am super excited to meet you.

My name is Ebony, and I'm one of six little girl Labrador puppies in our pack! My sisters Elphie, Eliza, Ettie, Elsa, and Ember and I make a pretty special team.

Everyone says "woof!" (That means 'nice to meet you!').

I was chosen to be the 'spokes-puppy' and leader of the pack! We were born on February 12, 2026. Our mum, Iris, looked after us during our first eight weeks, but now we're living with our lovely puppy carers.

Our carers are helping us learn important things like basic obedience and how to stay calm and confident in public places, to give us the best chance of graduating as Seeing Eye Dogs in the future.

When we're out in public, we wear official puppy training coats with "L" plates on them. This lets us go almost everywhere our puppy carers go!

Thank you for sponsoring our pack and coming on this journey with us! You are now part of the pack and part of our Seeing Eye Dogs family too. We couldn't do it without you!

Big puppy cuddles

and lots of love,

Ebony xoxo
